

SEPTEMBER 2022

Fall Fund Drive

Dear Friends,

The programs at Masonic Children & Family Services of Texas have been helping kids get the assistance they need for over a century. With our current distressed economy, the need for help is as high as ever. Through our vital programs, MCFSTX continues to provide funding for needed medical treatments, dental procedures, therapies, rental, utility assistance, and more.

Through our Fantastic Teeth Fan Club, we serve 1,743 Texas elementary schools by providing oral hygiene kits and educational material. With the help of 638 Texas Masonic Lodges, we have distributed 1,276,509 kits to first graders throughout the state so far!

The oral hygiene kits contain a toothbrush, toothpaste, a 2-minute timer, and child friendly literature to teach the importance of dental health and prevention. Many first graders express their gratitude for the kits, some even say it's the first toothbrush they've ever owned. We are thankful for the difference we make in children's lives and for the partnerships that help us along the way.

Not only are we helping kids get off to a good start at the beginning of their education, but we also provide support for their higher learning education. We are proud to announce our new **Texas High School Senior Scholarship Program**. We offer college scholarships to help kids make their futures brighter for years to come!

This Fall Fund Drive will help us provide assistance to kids and their families in many ways. The programs at MCFS make a significant impact in the lives of those we serve – thanks to donors like you who continue to support our mission.

Today, we ask you to make a donation to help us reach more families that need us... AND YOU! Don't forget you can, of course, send a donation by mail or by going online at www.mcfstx.org and just click donate!

Sincerely,

A handwritten signature in black ink that reads 'Shannon Davis'.

Shannon Davis
Executive Director

*Giving is not just about making a donation.
It is about making a difference.*
