

## HOLIDAY FUND DRIVE 2022

As 2022 comes to a close, it's a wonderful time to reflect and celebrate the many impactful things we have done to help children this year.

**Our Fantastic Teeth Fan Club** reached over 140,855 children. With the help of 1,743 elementary schools and 638 Masonic Lodges, the oral hygiene education kits were assembled and delivered to Texas first-grade children. We have provided over 1,276,509 kits to kids since its inception! MCFS continues to be proud of this program and thankful to all our partners who make it a success.

**MASONIC**  
CHILDREN &  
FAMILY SERVICES  
— OF TEXAS —

**The Child and Family program** provided services to 800 children for medical care, dental treatments and procedures, autism-related therapies, basic needs such as rent and utilities, and so much more. The simple truth is, these kids would have gone without help if we had not stepped in to fill the gap. Seeing photos that grateful parents send us after receiving support is not only rewarding, but also heartwarming.

While our existing programs continue to be life-changing for Texas families, we are proud to tell you about two new programs we offer.

**The MCFS Scholarship Program** awards \$2,500 in scholarships to deserving high school students. While Masonic affiliation is not mandatory, it is given preference in selecting recipients.

**Our new Blue Slipper program** is for widows of Texas Master Masons. The program aims to improve the lives of our widows by providing assistance with dental and medical services and accessibility modifications. Additionally, the program helps with essential services such as prescriptions, counseling, durable medical equipment, food, clothing, and utilities.

**As we prepare for the gift-giving season and spending time with family and friends, we ask that you consider donating to our **Holiday Fund Drive**. Your gift and support make a tremendous difference to the children we help each year.**

Sincerely,

Shannon Davis  
Executive Director
